"Summer Baby 3" from BARSnSCARS

FOR IMMEDIATE RELEASE

Brooklyn, New York – Rap Olympus Media is thrilled to announce the latest EP from **BARSnSCARS**, "**Summer Baby 3**", available everywhere late **September 2021**.

"Summer Baby 3" is the third installment of the ongoing series. The 3-song EP is currently a SoundCloud exclusive but will be available on all major streaming platform by the end of month. The lead single, "**Time Is Borrowed**", is the definition of pain music meets awareness when mixed with a street mentality.

The independent Brooklyn rapper is ready to show the people what he brings to the table. With a gritty New York vibe reminiscent of the golden era of Hip-Hop, he is sure to turn a few heads in the process.
